

Manual for The Original C Plus System

“We believe in freedom of culture. Our aim with this furniture is to show that no ideas should be stagnated and no rules should prevent others from learning and developing their own ideas.”

TOCPS Grid: 412,5 mm x 412,5 mm / 16.24" x 16.24"

Fixing TOCPS on the wall

TOCPS is fixed to the wall with fixing blocks. The idea is to use a minimum of fixing blocks according to the overall construction. The system is open and the modules and fixing blocks create an overall simple aesthetic of straight lines and colored points.

All spareparts in the fixing system have a function within the construction. The fixing block is drilled onto the wall. The outer block is then slid onto the fixing block and adjusted to the shelf.

Colours

Rape Yellow RAL 1021

Dafodil Yellow RAL 1007

Coralred RAL 30161

May Green RAL 6017

Turquoise Blue RAL 5018

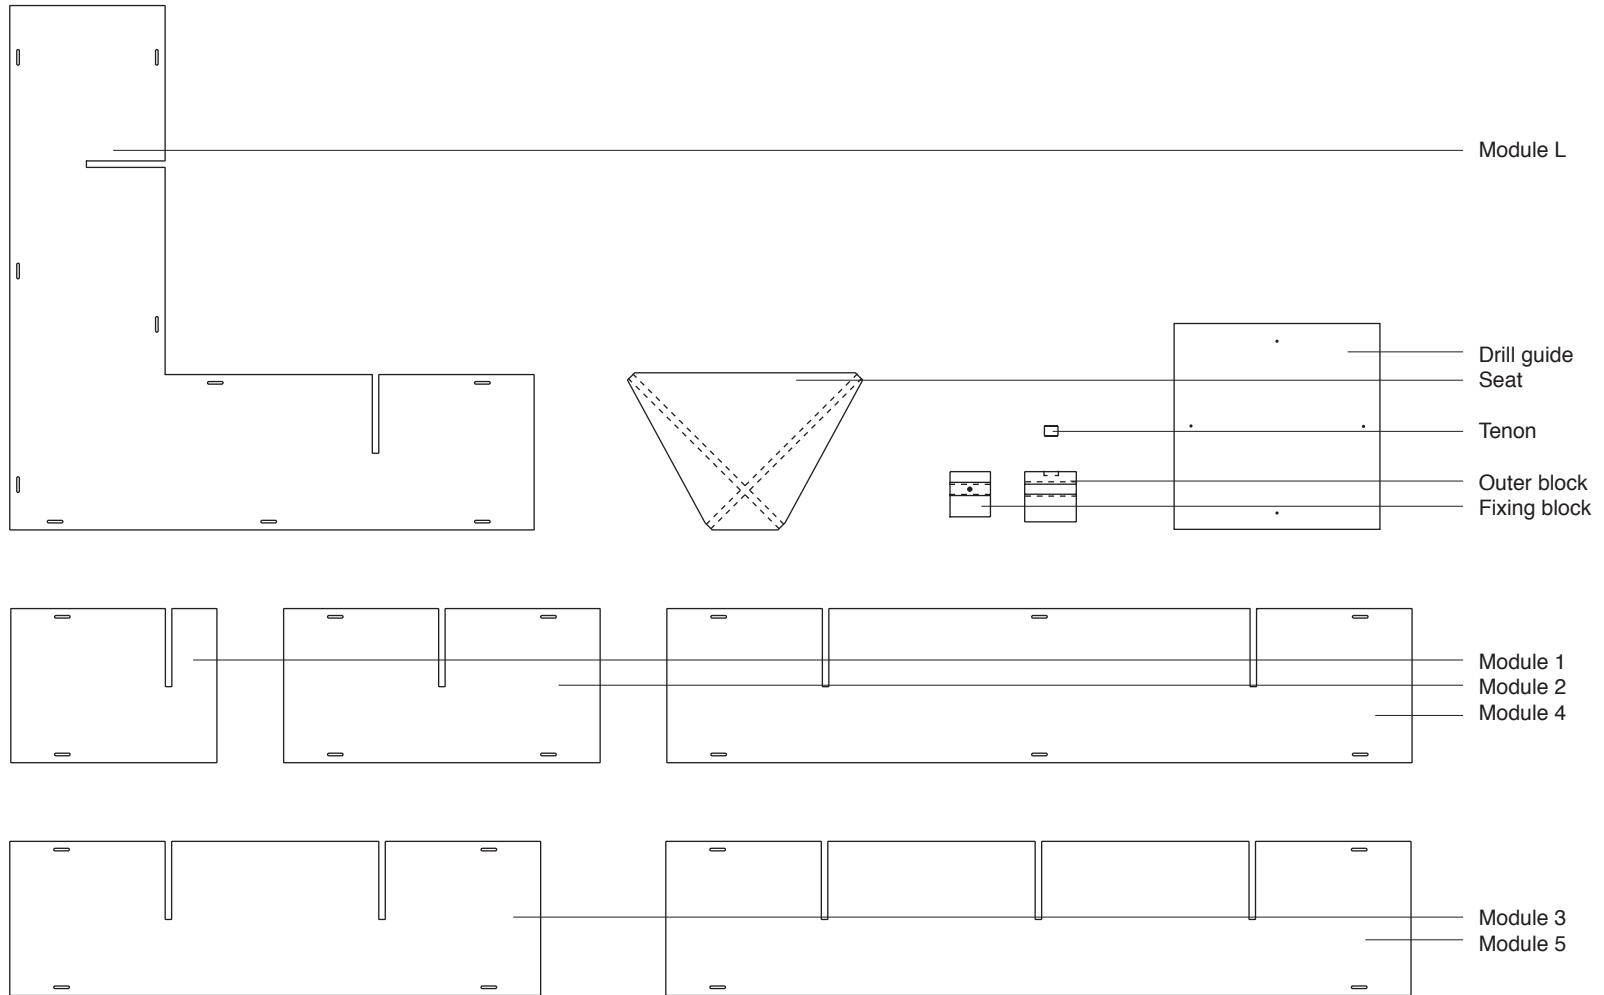

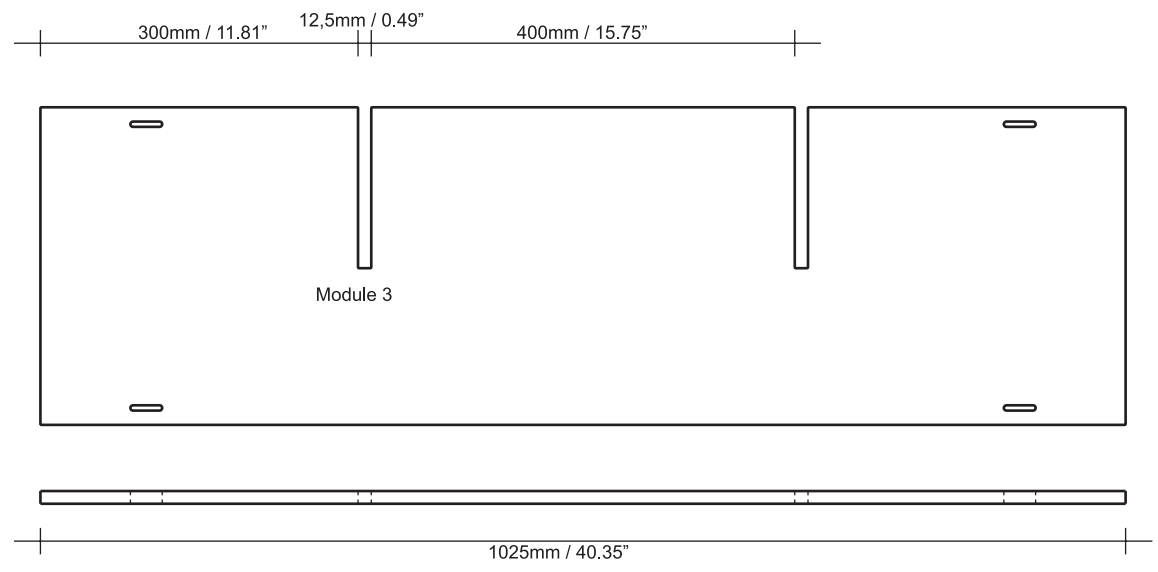

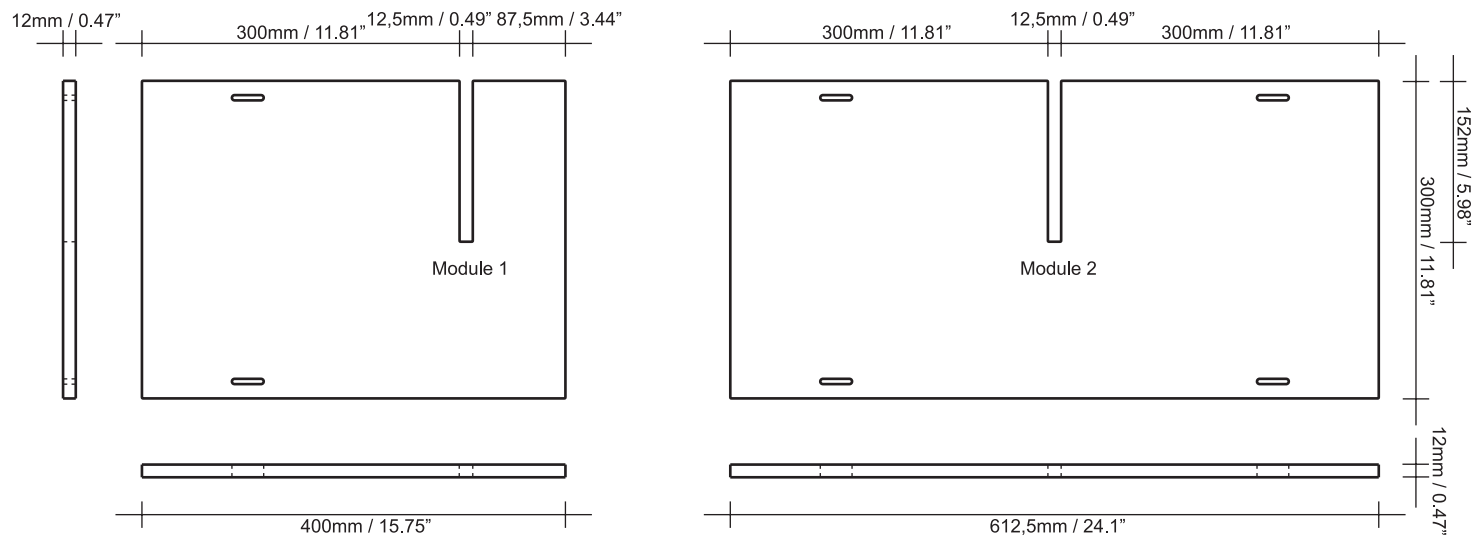

Black Grey RAL 7021
